"Professional. Very reactive. Good follow-up and drafting skills
with excellent knowledge of local regulations."
– Asialaw

BANKING AND FINANCE

- ▶ Assisted an **international financial institution** on the financing of a state-of-the-art serviced apartment complex, a first-of-its-kind project in the Lao PDR, including advising on the loan structure and assisting with closure, drafting of security documents, and security registration for the transaction.
- ▶ Acted for an **Asian development financial institution** as local counsel, issuing a legal opinion and assisting with registration of security assets, pursuant to a multimillion-dollar project finance transaction (US\$770 M) for the construction of a 1,156MW hydropower project in the Lao PDR.
- ▶ Assisted an **Asian development financial institution** on the granting of a US\$30 million secured term facility to a Lao commercial bank and assisted throughout the transaction, from carrying out legal due diligence through till closing.
- ▶ Acted for a consortium of **European development financial institutions** as local counsel on a US\$30 million secured term loan facility to a market-leading agroforestry company in the Lao PDR, a Sweden-Lao joint venture project. We also advised on the loan and security structure, and assisted with legal due diligence of the borrower, drafting of security agreements, perfection of the security, and the closing phase. This was the biggest ever commercial loan deal in the agribusiness sector in the Lao PDR.
- ▶ Assisted an **Asian development financial institution** on the financing of a paper manufacturing project in the Lao PDR, advising on the security structure under Lao PDR law and assisting with perfection of the lender's security interest.
- ▶ Advised an **international bank** on providing e-wallet services in the Lao PDR, and also assisted with structuring its microfinance-related loan and security agreements, and drafting its housing loan agreement template.

M&A

- ▶ Assisted a leading **listed Thai renewable energy company** with the acquisition of shares in three hydropower project companies in the Lao PDR.
- ▶ Assisted another leading listed Thai renewable energy company with its acquisition of equity interest in a hydropower project company that is developing a hydropower project in Mekong River, one of the biggest M&A deals in the country.
- ▶ Assisted a **Luxembourg-based company** with the acquisition of an operating wood handicraft manufacturing business in the Lao PDR.
- ▶ Assisted an **IT consulting company** with the transfer of shares from its Thai parent company to its Singapore affiliate and the share transfer registration.
- ▶ Assisted a **world leader** in testing, inspection, and certification services with the corporate restructuring of its two subsidiaries in the Lao PDR.
- ▶ Assisted a **major automotive company** with the corporate restructuring of its business operation in the Lao PDR.

CORPORATE & INVESTMENT

- ▶ Advised a global supplier of electromechanical systems on its greenfield investment and its supply contracts under the laws of the Lao PDR.
- ▶ Advised a leading Chinese mobile telecommunications company on its investment in the telecommunications sector in the Lao PDR.
- ▶ Advised a major Lao energy company on structuring its entire investment and its network of local dealerships in the fuel business.
- ▶ Assisted a Japanese multinational hydroelectric power corporation on investment and its legal, tax, and accounting compliance obligations in the Lao PDR.
- ▶ Advised a regional brewing company on licensing to sell its new line of products in the Lao market.
- ▶ Advised a large integrated telecommunications infrastructure service provider on market entry issues – foreign investment incentives, restrictions, minimum capital and foreign exchange requirements, licensing regulations, land-use rights, labor issues, and tax implications.

REAL ESTATE AND INFRASTRUCTURE

- ▶ Assisted a **Chinese-based IT company** in drafting and negotiating of a public-private partnership (“PPP”) agreement for development of an integrated vehicle and road management system in the Lao PDR, the first PPP project agreement in the Lao PDR.
- ▶ Advised and assisted a **leading real estate construction company** on the development of a high-end housing project as a joint venture with a Lao construction company.
- ▶ Assisted a **leading SEZ developer** with entering into a joint venture arrangement with the Lao government for the development of a special economic zone in the Lao PDR.
- ▶ Advised and assisted a **Thai-based construction company** with entering into a joint venture agreement to establish a consortium to bid on a public infrastructure project.
- ▶ Advised a **Japanese-Lao real estate joint venture** on its investment in a number of high-end real estate projects in the Lao PDR. We also assisted with structuring its contractual arrangements for the project.
- ▶ Assisted a **leading real estate developer** with the drafting of a building construction contract and a housing sale contract template for the development of a housing project in the Lao PDR.
- ▶ Assisted a **Cayman Island-based real estate company** to set up its Lao subsidiary for investing in infrastructure projects in the region.
- ▶ Assisted a **Malaysia-based company** in its investment in a Lao real estate company incorporated and registered in Laos.

ELECTRICITY

- ▶ Advised on the overall structure of an investment in one of the largest hydropower projects in the Lao PDR, and assisted with carrying out legal due diligence and drafting project agreements.
- ▶ Advised on the concession agreement with the Lao government, legal and tax operational issues, licensing, investment incentives, and regulatory exemptions for **six 600MW hydropower plants**.
- ▶ Advised a **Chinese technology company** on its EPC contract for a hydropower project to be developed in Mekong River, in the Lao PDR.
- ▶ Advised a **renewable energy company** on the construction and operation of two 220kV electricity transmission lines and electricity substations in the Lao PDR as a joint venture with a Lao company.
- ▶ Assisted in drafting an EPC contract for the development of a 120MW hydropower plant in the Lao PDR.
- ▶ Assisted a **hydropower project company** with its concession agreement, and on the LEPTS guidelines in relation to a wide range of operational issues.
